Tracy Nienow Has Been Awarded the Certified Residential Specialist Designation

Hales Corners, November 28, 2022 - Tracy Nienow, of Wisconsin, has been awarded the prestigious Certified Residential Specialists (CRS) Designation by the Residential Real Estate Council, a not-for-profit affiliate of the National Association of REALTORS®.

REALTORS® who receive the CRS Designation have completed advanced professional training and demonstrated outstanding professional achievement in residential real estate. Only 22,000 REALTORS® nationwide have earned the credential. This is fewer than 2% of REALTORS®.

Home buyers and sellers can be assured that CRS Designees subscribe to the strict REALTORS® code of ethics, have been trained to use the latest tactics and technologies, and are specialists in helping clients maximize profits and minimize costs when buying or selling a home.

Tracy Nienow is a Real Estate Broker Associate with The Nienow Team of Realty Executives Elite. She is a member of the National Association of REALTORS®. Tracy also has NAR designations of SRES® (Seniors Real Estate Specialist) and RENE (Real Estate Negotiation Expert).

"I chose to earn the elite CRS Designation to continue to build my knowledge in the industry to bring excellence in servicing my clientele", said Tracy. "Increasing my expertise in the field, along with longevity in the industry, means I am best equipped to represent our clients in all real estate transactions."
